

BELIEVE ITS PALLISTER.
Alleged Finding of the Body of the Second Sing Sing Escape.
SING SING, N. Y., May 17.—A body was found in the Hudson river off Sing Sing Tuesday morning and has been identified by State Detective Jackson and Principal Keeper Connaughton of the prison as that of Pallister, the murderer of Policeman Kane. The body was very much decomposed. A bunch of keys found in the clothes were identified by Mr. Connaughton as those taken from the guards by Pallister and Roehl at the time of their escape from the death house of the prison nearly a month ago.
The body was found in the river by Jack Binkley and Bob Smith, two fishermen, and brought to Sing Sing dock. The coroner has been notified and will hold an inquest.
The body was taken out of the water and placed in the death house. Here a thorough investigation was made and a bullet hole was found under the left eye. The supposition is that Roehl shot Pallister and then committed suicide.
In addition to the keys found on the body, there was a fully loaded revolver, five cents, the money taken from Keeper Illise when the murderers escaped, and a rosary which was given to Pallister by Father J. B. Creeden, of this place.

GREAT EXODUS
Will Be the Deportation of Fifty Thousand Chinkamen.
New York, May 17.—Deputy Internal Revenue Collector Kerwin has been notified of the decision of the United States court in the heavy exodus case. Secretary Carlisle will probably draw up a set of instructions in conformity with the decision of the court.
Chief Deputy United States Marshal Kennedy is waiting for orders what to do with Lee Joe, Wong Quang and Fong Yue Ting, who were ordered to be deported by Judge Broome and the collector, and whose appeal to the supreme court was decided against them. All the unregistered Chinese in New York state are being searched for by government officials. They will be arrested and held in custody to be shipped back to China in either a chartered ship or in United States vessels.
There are only about 3,000 Chinkamen in New York. According to the Chinese there are 1,000 in New York city alone.
The deportation of the Chinese will be an epoch in history. It is estimated that the number sent will reach 50,000. It will be the most notable exodus this country has ever seen.

MURDERER LYONED.
Louis Trenek Taken From the Jail at Brownstown, Ind., and Hanged to a Tree.
Brownstown, Ind., May 17.—About 12:30 Tuesday morning a mob pulled into the depot here with about thirty-five masked men, who quietly posted sentinels about town and approached the jail, demanding of Jailer Clark the person of Louis Trenek, who murdered Henry Peader, the Seymour restaurateur man. On being refused, they seized and searched the jailer for the keys, but found them not. They then proceeded to force an entrance into the jail which they did in one-half hour's time.
They broke into Trenek's cell, took him to the courthouse yard and hung him to the nearest tree. Only a few persons were on the streets at the time. At 1:30 the mob left the body hanging and dispersed. Coroner Scott, who has refused a part of the scene, was at once and cut it down, and it is now in his possession. The friends of the dead man have not arrived.

ANOTHER CRASH.
City of Melbourne Bank Goes Under—London Exchange Highly Excited.
London, May 17.—The failure is announced of the City of Melbourne bank, limited. The London manager of the concern is Edward Baines, and his offices are at No. 117 Bishopsgate street, within E. C. An unsettled feeling was evident on the stock exchange Tuesday, and prices were lower, notably for American securities.
There is much excitement, owing to heavy selling orders from the continent. H. Hodgson & Co., who are well known for years past in their line of business, have failed. At midday the tone of the stock exchange was gloomy, and there was a disposition to await developments, accompanied, however, by a feeling of general distrust and disinclination to enter upon deals. Argentine securities are very flat.

The Feeting in New York.
New York, May 17.—Chinatown accepts the decision of the supreme court in the Leary law plumb, but expects that something will turn up to prevent wholesale deportation. Leo Wah, who is one of the agitators, the Chinese Equal Rights League, and who is the agent for the Pacific Mail and Southern Pacific railroads, said last night: "I think the secretary of the treasury has the power, should extend the time for registration as a majority wish to comply with the law. They have not come so before through being misled by counsel."

The Presbyterian Assembly.
Washington, May 17.—Already a large number of contributors have arrived in the city, and up to this morning 435 commissioners had been assigned places for sitting on the assembly. Rev. Dr. Young, of Danville, Ky., the retiring moderator, will preach the opening sermon on Thursday and the new moderator to be chosen on the afternoon of that day will preach on the following Sunday.

Illinois Bank Failure.
Bloomington, Ill., May 17.—The Exchange bank of Bloomington, a substantial city, closed its doors Tuesday. It was a private banking institution conducted by W. H. Hargrave and was in doing business without adequate capital. The crash has been expected some time. The deposits averaged \$50,000 and the capital stock was supposed to be \$25,000.
